

Welcome to Oxilium

Our firm

Oxilium Professional Services Ltd is an audit firm providing audit, tax, advisory and compliance services. Our mission is to provide the highest level of services to business and individual clients at the right price. We also aim to build a trusted relationship with our clients so that each client can count on us.

Our team

Our firm comprises of a team of Certified Public Accountants (CY) providing a wide range of professional services. Our professionals are highly qualified specialist in their field, each having more than 10 years of experience and committed to maintaining the highest level of expertise by keeping their knowledge up to date. We pride ourselves in our successful track record of providing a fully diversified “one stop service” for all accounting related needs. Each member of the team aims to create a long term sustainable personal and professional relationship with our clients.

Why choose us?

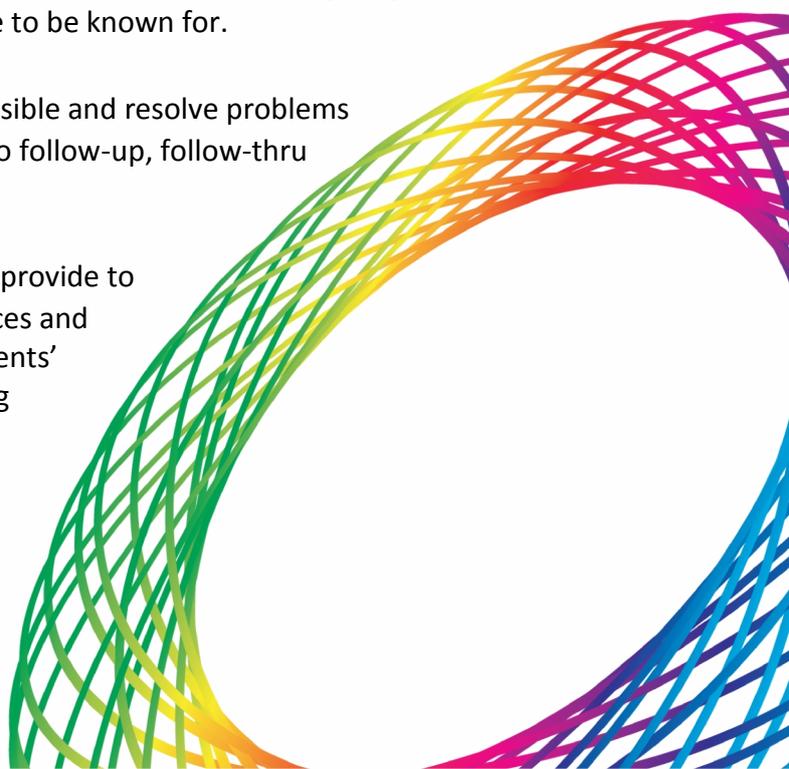

Client First — Our vision and mission statement highlight our desire to create a client-centric environment. We are here to provide world class client service and to place the needs of the client first. We understand that our clients not only expect us to be the experts in our field but also to provide our services in a polite, professional and helpful way.

Action— We know that our clients are contacting us because they need action. They expect us to be ready, willing and able to quickly solve their problems, answer their questions or provide other forms of support. We will never pass the buck, procrastinate or make excuses. We will take the actions necessary to provide the level of high quality client support we strive to be known for.

Responsible — Our goal is to be responsible and resolve problems and provide solutions. We are committed to follow-up, follow-thru and solve problems no matter what.

Exceed expectations — We strive to provide to our clients with the highest quality of services and will go the extra distance to support our clients’ needs. By putting our clients first and taking action to anticipate and quickly resolve issues, we aim to meet all their expectations.

Audit  **Tax**  **Advisory**
